

## BETWEEN THE LINES

**EXPLORE!  
DISCOVER!  
ENJOY!**

### **WHAT'S BETWEEN YOUR LINES?**

What will you read today? Where will it take you and what will you explore? Whatever your reason for reading, books carry you on a highly personal journey.

Use this journal to record your reading travels, plan your path to discovery, and express what you see between the lines!

### **WHERE WILL YOU GO NEXT?**

Books have the power to open our eyes to new worlds, and create an interest in exploring new topics. What most of us think of as just a healthy curiosity is also known as self-directed or free-choice learning.

*If a favorite book makes you want to learn more – about anything – your local library can help.*

*Tell your librarian what interests you. Or go online at [www.lib.de.us](http://www.lib.de.us) and "Ask a Librarian."*

*We'll help you find books, DVDs and more to expand your world!*
